Buyer Responsibilities

- Have puppies vet checked within **72** hours and have results emailed to Premierbulldog20@gmail.com (failure to do so will result in cancellation in this guarantee)
- Provide routine preventive care and do annual physical examination by a licensed veterinarian.
- Follow veterinarian guidelines for vaccination, deworming, and flea control.
- All deposits are non-refundable and go towards the purchase price.
- Balance must be paid in full by eight weeks of age or before puppies leave, unless other arrangements have been made. Otherwise, all money paid and claims to the puppy will be forfeited and the puppy will be made to other potential buyers.
- Any and all shipping costs will be the responsibility of the buyers.
- We would like our puppies to be fed a 30 lb bag of Pawtree in order to ensure they transition into their new environment with the same food they were raised on, please see the below information on Pawtree and a link to purchase.

Food and Nutrition

- For the sake of the puppy, we ask that you keep the puppy on the same food for at least 2 weeks at the very minimum. Our puppies have been on a [premium dog food](#) that we kindly ask that you consider staying on.
- We cannot stress the importance of a good diet free from corn, soy and wheat, this can mean the difference between happiness and health, as well as frustration and sickness. We recommend watching a few of these videos on the Pawtree websites as it explains the benefits of feeding Pawtree. [Why Pawtree](#) and [Benefits of Pawtree](#)

3. Use code **INTRO4U** at checkout to save 20% (on orders up to \$100)
4. Keep in mind you have a 90-day guarantee. Use every bit of your order and if you're not happy, pawTree will refund you 100%.

1 Year Health Guarantee

- Puppies are guaranteed one year from the date of birth against any fatal or life altering disease which adversely affects the health of the puppy. This includes severe hip dysplasia that requires corrective surgery as well as kidney, heart, pancreas, spine, and liver problems that are life threatening. If the puppy dies within this one year frame, the buyer will pay for an autopsy done. If the reason is congenital, the seller will replace the puppy.
- This guarantee does NOT cover the following non life-threatening conditions: cherry eye, loose hips, skin allergies, elongated soft palate and stenotic nares, bad or uneven bite, demodex mange, inguinal or umbilical hernias.
- This guarantee does NOT cover conditions that may or may not be stress related from shipping or moving puppies to a new home such as: Coccidia, Giardia or kennel cough, which are usually caused by bacteria, and can happen when puppies get stressed.
- A puppy showing any serious genetic or congenital defect will be replaced as follows: Puppy must show the defect by two years of age and seller must be notified of the problem within two business dates of the licensed veterinarians determination. Buyer must have two reports from two unassociated veterinarians stating the same problem.
- Seller will pay no vet bills and no refund in part or in full will be given.
- Puppies must be returned to the seller in good condition, other than the specified problem, at the expense of the buyer. The buyer will then qualify for a replacement puppy.
- Buyer is responsible for transportation costs to and from the seller on replacement puppies.
- This guarantee applies to the original puppy owner only, and is not transferable to another party.
- No replacement puppy will be given if the puppy has been bred, spayed, neutered or euthanized without permission from the seller.
- Replacement puppies will be mutually agreed upon by both parties. Puppies may not be from the exact same parents, but of comparable value and quality. The seller has one year to make a replacement of any returned puppies due to the fact that breeding and gestation and raising a puppy takes a certain amount of time. If the seller cannot provide the buyer with another puppy of similar quality and value within one year, then a full refund will be given.
- Any physical problem which is or could be a result of an injury is not covered under this guarantee. There is no guarantee or warranty that the buyer will be able to show or breed the puppy regardless of show or breeding potentials.
